Alpine® WSG

Water Soluble Granule Insecticide

Rise Against the March of Ants with Alpine® WSG.

Alpine WSG water soluble granule insecticide is engineered to defeat your customer's most common nuisance pest, ants. Powered by a non-repellent active ingredient, Alpine WSG spreads through ant populations, extending control beyond treated areas and targeting the infestation at its core.

Formulated with technicians and your customers in mind, Alpine WSG features a flexible label for use across all account types, a technician-friendly formula that won't clog equipment and is easy to mix and measure, an odorless and non-staining application.

- ✓ **Transfer Formulation that Spreads Through Colonies**
- ✓ **Non-Repellent Active Ingredient**
- ✓ **Flexible Label for Indoor and Outdoor Use**
- ✓ **Technician-Friendly Formula**
- ✓ **Odorless and Stain-Free Application**

Eliminate Colonies at the Source

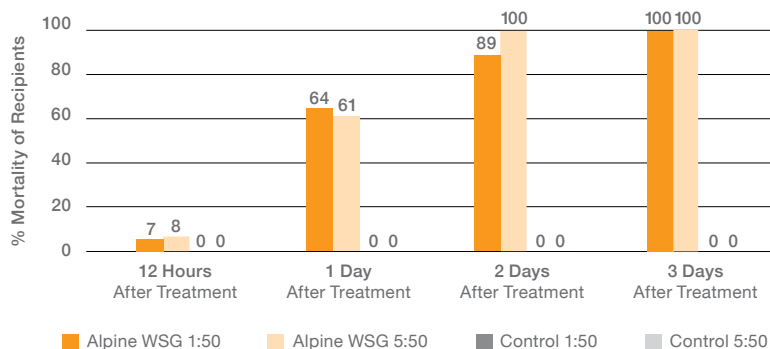

Alpine® WSG's formulation allows the insecticide to go undetected by ants and spread across the colony.

Built for Your Business and Your Customers

- **Flexible Label:** Versatile enough for sensitive accounts, including food handling areas where many traditional insecticides can't be used
- **Technician-Friendly Formula:** Dissolves completely into a clear, stable solution that won't separate in the tank, reducing equipment clogging and sprayer maintenance downtime
- **Odorless and Stain-Free Application:** Leaves no odor, stains, or visible residue on indoor or outdoor surfaces, helping protect your customers' homes and businesses.

Go Further with Outdoor Ant Protection

Pair Alpine WSG with Termidor® SC termiticide/insecticide for Absolute Ant Control indoors and outdoors.
